

MINUTES OF REGULAR MEETING
DANIA BEACH CITY COMMISSION
TUESDAY, MARCH 22, 2011 – 7:00 P.M.

1. Call to Order/Roll Call

Mayor Flury called the meeting to order at 7:00 p.m.

Present:

Mayor:	Patricia A. Flury
Vice-Mayor:	Bobbie Grace
Commissioners:	Anne Castro
	Walter Duke
	C. K. "Mac" McElyea
City Manager:	Robert Baldwin
City Attorney:	Thomas Ansbro
City Clerk:	Louise Stilson

2. Invocation and Pledge of Allegiance

Commissioner Castro gave the invocation followed by the Pledge of Allegiance to the United States Flag.

2.1 Mayor Flury's Opening Comments

Mayor Flury thanked the residents of Dania Beach for giving her the privilege to serve as their Mayor. She advised that she will serve in this capacity for 18 months and future mayors will serve for two years, due to the change of the municipal elections from March to November. Mayor Flury hopes we will have a better voter turnout in the future. She noted she looks forward to working with the Commission, staff, and BSO for both fire and police services. Mayor Flury said she will support the City Manager if he chooses to renew his contract with the City. She complimented City Manager Baldwin for keeping his staff out of the political arena for the most part. Mayor Flury reminded everyone that, as mandated by our Charter, the City Manager runs the City, not the Commission. She asked the City Manager to make City Hall a friendlier place because it is currently very unwelcoming. Mayor Flury requested an ordinance that would prohibit texting on the dais. She also spoke about an existing ordinance that allows retirees to remain on the City health plan; she would like City Attorney Ansbro to look at it and bring it back for reconsideration by the Commission. Mayor Flury asked for the Ethics policy item to be discussed at the next meeting. She commented she is shaken by the City's depleted reserves and remarked she would not be inclined to vote to use them for anything in the near future. Mayor Flury noted she understands that the City Manager is setting up a workshop to discuss budget and capital projects. She provided the Herman Wrice history in Dania Beach who, together with the Turnaround Dania Beach group, educated our citizens and allowed us to take back our

neighborhoods. Mayor Flury wondered if each Commissioner would like to recognize a citizen who deserves the award.

Mayor Flury and the City Commission presented both proclamations to Elbert Waters, Broward Service Center Director, South Florida Water Management District.

Mr. Waters thanked the City of Dania Beach for the proclamations and encouraged everyone to conserve water.

5. Citizen Comments

Bill Harris, 902 Natures Cove Road, addressed the traffic calming plan for SE 5th Avenue. He noted that the residents in the area would like to know when the plan will be implemented.

Dominic Orlando, Director of Public Services, noted it would take 6-9 months if we go through the bid process; however, he is looking for quotes to bring to the Commission for consideration. He indicated that an update will be provided at the next Commission meeting.

Mr. Harris requested that the traffic speed trailer be installed on SE 5th Avenue because it would definitely have a psychological effect in calming down traffic in that area.

(SECOND READING)

City Attorney Ansbro read the title of Ordinance #2011-010.

Corinne Lajoie, Principal City Planner, noted that the district as proposed includes four properties and over 100 businesses. She advised that the language on parking added after the first reading of the ordinance on March 9, should be taken out because of some limitations existing within the area. Ms. Lajoie suggested waiting to address the parking issue when there is a real demand, at which time we may find a solution that would work better for the district.

Mayor Flury opened the Public Hearing.

Craig Urbine, 802 NW 7th Avenue, Melaleuca Gardens, thanked staff as well as the Commissioners who supported the district. He asked why Commissioner McElyea voted no at the first reading of the ordinance. Mr. Urbine further commented that there is an artist considering coming back to Dania Beach and donating public art to the City. He provided information on several promotional activities they are conducting. Mr. Urbine clarified that the language relating to the conversion of a warehouse space into a showroom space without being penalized for the parking would benefit everyone in the district. It was the shared-parking language added that would not work for the district. He stated that he wants to move Dania Beach forward.

Manny Synalovski, architect for the project, echoed the comments of Mr. Urbine. He asked if the other parts could be added to the district tonight, if possible.

Seeing as there was no one else to speak in favor or opposition, Mayor Flury closed the Public Hearing.

Commissioner Duke motioned to adopt Ordinance #2011-010 without the condition for shared-parking, on second reading; seconded by Commissioner Castro. The motion carried on the following 4-1 Roll Call vote:

City Attorney Ansbro read the title of Resolution #2011-027.

Corinne Lajoie, Principal City Planner, advised the request is for an extension of a previously approved site plan and waivers for the construction of 18 two-family villas in a gated

community. She noted that the applicant indicated that the development has been delayed due to current market conditions. Ms. Lajoie provided a history of the project and added that staff is recommending approval of the extension request.

Mayor Flury opened the Public Hearing. Seeing as there was no one to speak in favor or opposition, she closed the Public Hearing.
